The New Jersey Landscape Contractors Association is excited to announce our outdoor trade show, in a great location and for one day only!

On August 7th, the NJLCA Education Fund will be producing the New Jersey Contractors Showcase Expo (NJLCA) from 9:00 am – 2:00 pm at County College of Morris in Randolph, NJ!

This outdoor event will give attendees the opportunity to demo equipment, network, and meet with vendors and suppliers that work in all facets of the landscape, hardscape, horticulture and nursery industries.

Please take a moment to review the enclosed brochure and sponsorship opportunities and reserve your booth for the New Jersey Contractors Showcase Expo (and check out the website at NJLCA.com) today!

Of course, we will still be hosting our 48th Annual Landscape New Jersey Trade Show and Conference in Secaucus at the Meadowlands Expo Center on February 26, 2025. More details to come in the late summer.

If you have any questions, please feel free to contact us at 201-703-3600 or info@njlca.org.
