It's time to start planning for the New Jersey Contractors Showcase Expo!

The New Jersey Contractors Showcase Expo will be held on Wednesday, August 5, 2026 at the County College of Morris in Randolph, NJ. At the request of our exhibitors, we now have a raindate of August 6, 2025, just in case show day is a rain-out!

This one-of-a-kind event promises to be a game-changer, offering an unparalleled opportunity to experience the latest innovations and cutting-edge technologies shaping the landscaping industry. Featuring an impressive lineup of live demonstrations, the expo will allow attendees to "try before they buy" and test drive the most advanced equipment and tools, giving them the confidence to make informed purchasing decisions that will drive their company's success.

To help you prepare for this fantastic event, enclosed you'll find an Exhibitor Packet for NJ Contractors Showcase Expo. Register early to make sure you get your preferred booth and take advantage of Early Bird Pricing. Right of first refusal ends on May 15th, so if you want to secure the same booth you had last year, you must send us your contract and deposit by that date.

To enhance your visibility at the show, you'll find advertising and sponsorship opportunities that will work with any budget in the enclosed Sponsorship and Advertising Guide.

We look forward to seeing you at the NJ Contractors Showcase Expo 2026!

Thank you as always for your support of the New Jersey Landscape Contractors Association, NJLCA Education Fund and our family of trade shows!

Sincerely,

Kevin Dulio
